SHORTS

This fantastic new poly-spandex is quick drying and wrinkle resistant; perfect for hot conditions and for saving you the hassle of ironing. We've also added a new elastic waistband for added comfort, along with a lining on the inside to make sure your shirt stays firmly tucked even when you want to swing extra hard.

TROUSERS

These trousers are made for comfort and performance in mind, with the addition of 10% spandex offering the stretch you need for a full range of movement. Our spandex waistband fits comfortably to your body and allows for fluctuations to the waistline that we are all prone to.
